# The coming of age: *Mental Health in Family Medicine*

Gabriel Ivbijaro

Editor in Chief *Mental Health in Family Medicine* and Chair of the Wonca Working Party on Mental Health, The Wood Street Medical Centre, London, UK

*Mental Health in Family Medicine* has come of age. This issue completes the third year of publication. This success is as a result of a good partnership of Wonca, editorial team and our publishers.

I would personally like to thank members of the editorial team for their leadership and support and they include:
