Clinical Pediatrics: Open Access (CPOA) is a self supporting organization and does not receive funding from any institution/government. Hence, the operation of the Journal is solely financed by the handling fees received from authors and some academic / corporate sponsors. The handling fees are required to meet maintenance of the journal. Being an Open Access Journal, CPOA does not receive payment for subscription as the articles are freely accessible over the internet. Authors of articles are required to pay a fair handling fee for processing their articles. However, there are no submission charges. Authors are required to make payment ONLY after their manuscript has been accepted for publication.

We are successfully running 700 Open Access journals and 3000+ Global Events in different disciplines with the support from 50,000 well qualified editorial board members. We are the proud partner in making healthcare and scientific information Open Access.
